

# SOL TESTING SCHEDULE

## 3RD GRADE

Thur, May 8th- Reading  
Thur, May 15th - Math

## 4TH GRADE

Wed, May 7th - Reading  
Wed, May 14th - Math

## 5TH GRADE

Tues, May 6th- Reading  
Tues, May 13th- Math  
Tues, May 20th- Science

### Things to Remember About Testing

We would like to share a few reminders to assist our students with testing:

1. It is important that students get plenty of rest the night before the test.
2. Students are encouraged to eat breakfast.
3. Students need to arrive at school on time each morning.
4. Students may have as much time as they need to complete their tests.
5. Please encourage your child to do his or her very best.
